As people, technology and world around us changes, so to must the world of medicine, imaging and nuclear medicine. This year's fall program, thanks to program chairs Scott Perlman, MD, MS, University of Wisconsin School of Medicine & Public Health and Derek E. Fuerbringer, CNMT, BS, University of Wisconsin Hospital & Clinics , have put together a program not to be missed.

The 2018 CCSNMMI Fall Educational Symposium will focus on theranostics, hybrid imaging, cardiac imaging and much, much more. The program is designed to satisfy continuing education/self-assessment module needs for physicians, technologists, and scientists working in the fields of nuclear medicine and molecular imaging, in a very accessible location and with CME, CAMPEP, VOICE and SAM credits available.

When not in session, the hotel is located minutes from a number of popular Wisconsin Dells -area attractions. Enjoy an evening show at the Palace Theater , take a fun water and land tour on the Duck Boats , or if you prefer something more mellow, a scenic tour on the Dells Boat Tours. Perhaps you enjoy a stroll. Take a stroll along the Wisconsin Dells Downtown area "The Dells River District," visit the quaint little shops with unique gifts, sit for an old time photo, or grab some cheesecake at the Cheesecake Heaven Deli Restaurant!

General Information

Physician (AMA-PRA Category 1 Credits™):

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the Central Chapter SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) designates this live activity for a maximum of **TBD AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CAMPEP:

The Central Chapter SNMMI is applying for approval by the Commission on the Accreditation of Medical Physics Programs (CAMPEP) to grant TBD **MPCEC hours**.

VOICE:

The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, has approved this meeting for a maximum of TBD continuing education hours (CEHs). VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A+ credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80%.

SAMS

SAMS credits will be applied for through ABR.
