You are invited...

attend the 2018 Annual Meeting of the Western Region Society of Nuclear Medicine, October 26-28, 2018 at the Hyatt Regency, located in Monterey, California. This meeting is always well received by the attendees and is a highlight of the SNMMI calendar from across the United States.

Program Chairs, Ryan Niederkoehr, MD, Kaiser Permanente Santa Clara Hospital, Santa Clara, CA and Cameron Foster, MD, UC Davis Health, Sacramento, CA and their committee of physicians and technologists from the Northern California Chapter, have organized a particularly thoughtful program with many interesting and timely topics. Lectures are targeted for physicians, physicists, technologists and pharmacists.

There are several highlights to this year's program including sessions on Back to Basics, Neurology, Endocrinology, Clinical & Prostate Imaging, Cross Sectional Imaging, Radiopharmacy and much, much more. Back by popular demand, our Case for Connoisseurs session and Literature Review on Saturday afternoon.

We have many quality CE programs offered again this year and we are once again applying for SAM credits for our physicians and physicists. It is further incentive for physicians planning to recertify to attend the meeting as it is one of the mandatory requirements. Please note, abstracts submitted by residents, basic scientists trainees, technologists and technologist students will be presented again this year, as well as several award recipients. This will spark thought, creative enterprise, and encourage scholarly activity by our trainees.

CME/CAMPEP/ACPE/VOICE/SAM Credit Info

ACCME (AMA-PRA):

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the Pacific Northwest Chapter SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) is reviewing this live activity for a maximum of *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VOICE Statement:

The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, is reviewing this meeting for a maximum of continuing education hours (CEHs). VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80%.

VOICE+ (Category A+) credits will be approved for a limited number of sessions. Please note the NMTCB and ARRT will recognize Category A+ credits.

CAMPEP:

This educational activity is being reviewed to grant Medical Physics Continuing Education Credit (MPCEC) by the Commission on the Accreditation of Medical Physics Programs (CAMPEP).

SAMS:

SAM credits will be applied for through the American Board of Nuclear Medicine

SCOPES:
