

Earnest Davis serves as Immediate-Past President of the Chicago Healthcare Executives Forum, a premier chapter of the American College of Healthcare Executives. He also teaches healthcare administration courses at National Louis and Governors State Universities.

Davis has held various roles in healthcare operations ranging from physician practice administrator to service line administrator, most recently serving as the Chief Ambulatory and Ancillary Officer for the Presence Health Northwest Chicago region.

Mr. Davis is originally from Cincinnati, OH where he received his bachelors degree from the University of Cincinnati and his Masters in Health Services Administration from Xavier University. His proficiency in operations management, physician practice management, and strategic planning was honed over 15 years of experience with leading healthcare organizations in Ohio, Connecticut, Indiana and Illinois.

In 2009, Davis became a Fellow in the American College of Healthcare Executives (ACHE) and in 2012 was elected to serve as the Chair of Membership and Advancement for Chicago Health Executives Forum before beginning his 3-year President term in 2016. In 2017, he was appointed to serve as a committee member for the AHCE National Book of the Year committee.

Davis resides in Bolingbrook, IL with his wife Judith and son Ernie.
