

2022 Northern California Society of Nuclear Medicine and Molecular Imaging's Virtual Annual Chapter Meeting

Thursday, February 17, 2022

On behalf of the Northern California SNMMI

We invite you to attend and participate in the 2022 Annual Meeting of the Northern California Chapter of the Society of Nuclear Medicine and Molecular Imaging. The 2022 meeting program continues to meet the needs of our nuclear medicine community by offering 8 hours of education with focus on Theragnostics, Novel Breast Cancer Imaging, Back to Basics and Safety and Well-Being in Nuclear Medicine. We will also hear from the SNMMI leadership on the state of the of the association as well as its role in the current healthcare climate.

One day, eight hours of education and unlimited networking...join us.

Accreditation

ACCME (AMA-PRA):

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the Northern California Chapter SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) is reviewing this live activity for a maximum of AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VOICE Statement:

The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, is reviewing this meeting for a maximum of continuing education hours (CEHs). VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80%.

VOICE+ (Category A+) credits will be approved for all sessions. Please note the NMTCB and ARRT will recognize Category A+ credits.

CAMPEP:

This educational activity is being reviewed to grant Medical Physics Continuing Education Credit (MPCEC) by the Commission on the Accreditation of Medical Physics Programs (CAMPEP).
