

Dr. Jay Bhatt is a public health and physician executive who serves as the managing director at Deloitte. He has worked at national and local levels to improve outcomes for vulnerable populations, including by strengthening the design and delivery of care and public health.

Most recently, Dr. Bhatt served as chief clinical product officer at Medical Home Network and MoreCare – a Medicaid ACO and Medicare Advantage Plan in Chicago and Cook County. He has consulted on the COVID-19 response for the Illinois Department of Public Health supporting informatics initiatives for congregate settings. He also has served as senior vice president and chief medical officer at the American Hospital Association, as well as president of its subsidiary, the Health Research Educational Trust. Prior to that role, Dr. Bhatt served Chicago as managing deputy commissioner of the Department of Public Health.
