

Anthony Guaccio
President and Chief Executive Officer

Since Anthony joined the executive staff in 1996, Swedish Covenant Health evolved from the largest and most successful independent community hospital on Chicago's north side to a comprehensive health care system with a well-deserved reputation of technological and teaching excellence, compassion and growth. Under his management, the hospital has received consistent recognition as a leader in patient safety from the Leapfrog Group and sustained Magnet Recognition for nursing excellence since 2010.

Anthony is an accomplished senior-level hospital executive with 35 years of proven innovative health care management experience. He served in the role of Chief Operating Officer for 10 years prior to becoming President and Chief Executive Officer in 2016. He successfully led Swedish Covenant through a partnership with NorthShore University HealthSystem in 2019. In addition to his responsibilities at now-Swedish Hospital, Anthony is a Board Member of Upper Midwest VHA, and a past Chairman and current member of the Board of Captis, a \$3 billion, 200-hospital group purchasing organization.

Anthony received a Master's Degree in Business from North Park University. He completed his Bachelor's Degree in Business Administration and Management from Eastern Illinois University. He has been married to his wife Sandra for 34 years and has two sons, Anthony and Austin. When not working, he enjoys any outdoor activity with family and friends.
